

## On Guard™ Foaming Hand Wash

### Product Description

On Guard™ Foaming Hand Wash is a gentle, healthy alternative to harsh antibacterial soaps made with synthetic ingredients that may dry and irritate sensitive skin. Fortified with the power of dōTERRA's naturally safe Certified Pure Therapeutic Grade essential oils, On Guard Foaming Hand Wash provides the protective benefits of one of dōTERRA's most popular proprietary essential oil blends. On Guard Foaming Hand Wash cleans and softens hands while providing natural protection against harmful surface-borne microorganisms with an invigorating blend of essential oils that leave your hands smelling fresh and citrus clean.

### Concept

Hand-washing has long been known as vital in stopping the spread of infectious diseases. With more than 52 million cases of the common cold each year in the US and 10% to 20% of the population contracting the flu, keeping your hands germ-free has never been more important. Likewise, teaching children to wash their hands is also necessary to keep them healthy. (The US Center for Disease Control reported proper hand washing nearly halved the incidence of pneumonia-related infections in children under five years old worldwide.)\*

On Guard Foaming Hand Wash is the perfect way to keep your family's hands clean. dōTERRA combines the power of On Guard essential oil blend with gentle cleansers for a naturally effective protective defense against surface-borne pathogenic organisms on your hands.\* And because dōTERRA's Foaming Hand Wash contains only Certified Pure Therapeutic Grade essential oils, you don't have to worry about irritations caused by impurities such as pesticides or other contaminants. On Guard Foaming Hand Wash will not dry out hands like other harsh hand soaps that can compromise the delicate moisture barriers of the skin. On Guard Foaming Hand Wash is formulated to be gentle enough for use by everyone in the family.

On Guard Foaming Hand Wash is conveniently packaged in a 16-oz. refill bottle that fills an 8-oz. foaming dispenser accessory saving the earth's resources and your money. The convenient foaming dispenser makes for a subtly beautiful addition to sinks throughout your home and office providing you with On Guard protection throughout the day.

## Key Ingredients

On Guard™ Foaming Hand Wash contains On Guard—a proprietary blend of Certified Pure Therapeutic Grade™ essential oils including Wild Orange (*Citrus Sinensis*), Clove (*Eugenia caryophyllata*), Cinnamon (*Cinnamomum zeylanicum*), Eucalyptus (*Eucalyptus radiata*), and Rosemary (*Rosmarinus officinalis*) in a proprietary formula of gently powerful cleansers and emollients.

## Primary Benefits

- On Guard Foaming Hand Wash cleanses and protects by eliminating seasonal and surface-borne threats\*
- Gentle cleansers and emollients clean and soften hands throughout the day without drying or irritating sensitive skin
- On Guard Foaming Hand Wash is pH balanced to protect the delicate moisture barriers of the skin
- The spice and citrus aromas of On Guard™ invigorates the senses during and after use

## What Makes This Product Unique?

- On Guard™ Foaming Hand Wash contains dōTERRA's proprietary Certified Pure Therapeutic Grade essential oil blend
- On Guard Protective Blend contains essential oils known to be cleansing and protective against seasonal and surface-borne threats\*
- On Guard Foaming Hand wash is economically and ecologically packaged in a 16-oz. refill bottle from which you can refill the 8 oz. foaming dispenser bottle twice

## Who Should Use this Product?

On Guard Foaming Hand Wash can be safely used by all members of the family, including those with sensitive skin, to cleanse and protect.

## Directions for Use

Pump On Guard Foaming Hand Wash dispenser once or twice to dispense foam onto hands. Work to a lather with warm water and rinse thoroughly.

## Cautions

For external use only. Avoid contact with eyes and broken skin. Store in a cool, dry place avoiding exposure to direct sunlight.
